## BILL GATES

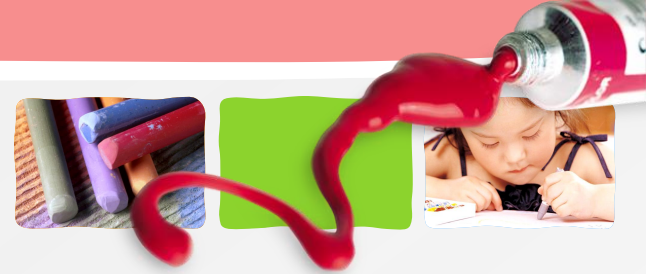

Bill Gates is one of the richest men in the world today. Gates chose to drop out from the University and he focus on developing Microsoft company which then prevail. Now, because of his hard work, Microsoft became in to most computer software producer in the world. Today, Bill Gates is known as the founder of the manufacturer and the owner of the Microsoft software of windows operating system which is used by the majority of people all around the world.

Bill Gates was born as a smart kid because he like reading and quite smart in school and was interest with business. At the age of 13 years-old, he prefers to stick with the book rather than getting along with others. Therefore, he often quarreled with her mother. One day, his father threw the bottle to Bill because he was considered too naughty. After he was taken to the therapist, the parents let bill become independent person and eventually make bill follow his hobby to deal with computers.

Bill's cleverness made Bill chose Harvard as the first choice as his University. However, because he made Microsoft with his friend, Paul Allen, he decided to drop out of university. although it's heavy, but the decision was right, because now Microsoft becomes a Microsoft software manufacturer which used by the majority of all people worldwide.

Today, Bill Gates has retired and no longer deal with Microsoft. He chose to focus on humanitarian affairs through the Bill & Melinda Gates Foundation. In 2007, a total injection of funds provided by the Bill & Melinda Gates Foundation to reach USD 28 billion. The foundation is regarded as one of the most widely foundation donated funds for humanitarian activities. Bill Gates himself was reported to have given most of his wealth to philanthropic activities, amounting to 48%. Then, he joined with other wealthy benefactors who also had the same goal, such as Warren Buffet and Andrew Carnegie.
